## Declaration of Compliance

Dear Customer,

ISSI hereby declares that all our lead free products satisfy the following requirements/conditions:

- 1) Using an "L" or a "G" after the package type designating letter in the IS prefix or IC prefix top mark for identification respectively.
- 2) Complying with the ROHS (EU Directive entitled "Restriction on the use of certain Hazardous Substances 2005/95/EC") requirements and containing none of the following 6 substances: Pb , Hg , Cd , Cr(VI) , PBB and PBDE.
- 3) Complying with the IPC/JEDEC J-STD-020C with regard to the solder profile requirement (Max. reflow temperature 260 deg.C )

This Declaration is made with ISSI's best commercial effort to verify the compliance, of its suppliers, with the above requirement, and is given in good faith without any responsibility or liability. The statement here above does not extend to or apply to the procedures subject to unintentional contamination, misuse, neglect, accident, improper installation or any use in violation of instructions furnished by ISSI.

This Declaration contains the entire understanding between you and ISSI with respect to this subject matter and supersedes all prior agreements, understandings and/or representations.

Please let us know if there is a further concern.

Sincerely Yours,

S.K.Fan  
Sr. Director  
QA & AE Department
