

INTEGRATED SILICON SOLUTION, INC.

Date: April 15, 2024
To: Our Valued Customers and Partners
From: ISSI-Integrated Silicon Solution, Inc. (Memory Products)
Subject: PFAS

All ISSI Wafers and non-BGA packages (SOJ, TSOP, ...) do not contain any PFAS material.

With respect to BGA packages, certain BGA part numbers from ISSI may contain PFAS. Please provide the full ISSI part number for confirmation of any PFAS substances.

If a certain ISSI BGA part number contains PFAS, we can provide an alternative Non-PFAS BGA solution for your consideration. If we do not have Non-PFAS BGA available for a particular part number, we will provide a roadmap for the Non-PFAS BGA solution.

We thank you for your continued support of using ISSI Memory Solutions.

Please contact your local sales team if you have any additional comments or questions.
